On March fourth, Mary Beth Shireson and Michael Pearson got married. The wedding had required detailed planning and the couple spent many hours planning for it. The wedding party had a bride, groom, six bridesmaids and six ushers. The bride wore a long white gown with a pearl necklace while the bridesmaids wore fiery red gowns with a swirl of rhinestones along the hems. The groom and the ushers wore black tuxedos.\*\*\*\* The ceremony, held in a small chapel, took about twenty minutes. Then, the newly-married couple posed for a series of pictures set in a beautiful garden with a peek of the ocean nearby.
